

## M. D. Estimates Adopted; Municipal Tax Cut 4 Mills

At the meeting of the Council of the Municipal District of Mountain View No. 49, held at Didsbury on Monday, May 7, the estimates for the year were adopted as follows:

REVENUE	
Tax Levy	\$614,442.62
Public Works Grant	65,660.00
Estimated Conditional Grant, Municipal Assistance Act	36,337.00
Unconditional Grant, Mun. Asst. Act	44,805.00
Private Road Grants	4,000.00
Trade-In Machinery	13,750.00
Sundry Receipts	15,789.43
Total Revenue	\$794,785.05
EXPENDITURES	
Administration	\$ 26,250.00
Protection to Persons and Property	8,300.00
Public Works	292,941.00
Hospital Requisition	58,475.00
Health	7,700.00
Social Welfare	10,900.00
Education	22,500.00
Debt Charges	2,500.00
Capital Expenditures	66,000.00
Discounts & Cancellations	30,000.00
Contingencies & Surplus	26,907.55
Total Expenditures	\$794,785.05

The necessary by-law was passed to provide the following mill rates to raise the money to carry on the affairs of the Municipality during 1951:

Municipal	19 mills
Didsbury Hospital	19 mills
Olds Hospital	5 1/2 mills
Olds S.D.	24 mills
Red Deer S.D.	22 mills
Wheatland S.D.	24 mills
Calgary S.D.	28 mills

From the above rates it should be noted that the municipal tax rate has been reduced 4 mills from the 1950 levy. This was made possible by the grant provided by the Municipal Assistance Act.

A petition was received to place

## Services Held Saturday For Captain Eli Page

Funeral services for Captain Eli Page, were held from St. Cyril's Anglican Church, Didsbury, on Saturday, May 12, at 2:00 p.m. with Rev. F. C. Musson and Rev. A. F. Sheward officiating.

Burial followed in the Didsbury Cemetery with Didsbury Funeral Home in charge of arrangements.

Capt. Page was born in Falkland, Scotland and emigrated to Calgary in 1910, but when the first world war broke out he went to England and joined the Royal Field Artillery. From 1914 to 1919 he served in France, Greece and South Russia. He was mentioned in dispatches and decorated with the Military Cross.

Captain Page returned to Alberta in 1920 and took up farming at Didsbury where he resided until his death at home on Tuesday, May 8, at the age of 37 years.

Surviving are his wife, Dorothy; five sons, Richard, Michael, Derek and Geoffrey, all of Didsbury, and Cpl. Brian Page of Edmonton; a daughter, Mary, of Didsbury; four sisters in England and a brother in Australia.

## Walther Leaguers To Attend Spring Rally

The Walther League meeting of May 8 was opened with a short devotional by Rev. Fox, who then led the group in a study of the sixth chapter of the Gospel according to St. Mark.

The Spring Rally which is to be held at Lethbridge on May 24 was discussed. Two groups of Leaguers plan to motor to the rally. Arrangements were also made for the Annual Reunion service to be held at Redeemer Lutheran Church on Sunday, May 27, at 7:30 p.m.

The matter of sending a delegate to the International Walther League Convention to be held at St. Louis, Missouri, July 8 to 12, was briefly discussed and tabled.

The following officers were elected for the ensuing year: President, Werner Reinhardt; Vice-President, Reginald Nuss; Secretary, Myron Gellers; Treasurer, Walter Arman. The Executive Committee will make the other necessary appointments.

The balance of the evening was devoted to games, and lunch was served at the close of the meeting.

## GUN CLUB SHOOT MAY 25

The Didsbury Gun Club will hold its first shoot of the season on Friday, May 25, starting at 6:30 p.m. The event will take place in the Rupp pasture, where shooting took place last year, and it is hoped that there will be a big turnout. All members and prospective members are asked to attend this shoot.

gravel south of sections 13 and 14, 20-1, south of section 18-29-3, and through sections 5 and 7, 29-3, from Dog Pound north and west to the Cremona road. The petition was accepted by Council and work is being proceeded with. Other work in the area includes graveling on the Cochrane-Cremona road.

Council approved the granting of a license for a service station at Cremona to Garnet Brown. A license was also approved for a gas and oil outlet at Cremona to A. Hettlinger.

A request was made by the C.P.R. for approval to remove cattle guards on railway crossings within the Municipality, and this request was granted.

Third reading was given to the by-law providing for the sale, pursuant to the Tax Recovery Act, of the S.E. of 30-33-4-5 to Mrs. Janet Springer.

The district engineer, F. J. Graham, was present and discussed with Council the location of roads on which the \$65,600.00 grant is to be spent. It was decided to divide the grant equally among the seven divisions. In order to receive this grant the Municipality was requested to spend an amount equal to 25 per cent of the above grant and 40 per cent of the total grant must be spent on district highways.

In addition to the grants Council approved a further \$60,000 to be divided equally among the seven divisions, and to be used for road work.

Permission was given to Calgary Power Ltd. to install culverts on roads used for access to the new power line.

A building permit was granted to erect a 30'x50' building at Cremona to be used for a restaurant and electrical store.

Accounts and pay sheets completed the business of the meeting.

## MIDWAY LADIES' CURLING CLUB TO BUY KITCHEN EQUIPMENT

At a meeting of the Midway Ladies' Curling Club on April 25, at the home of Miss Merle Siebert, it was decided to buy a stove, cups, spoons, teakettle and two percolators for the kitchen at the Midway rink.

Mrs. Bob Fisher was elected president to take the place vacated by Mrs. Krebs.

Concessions and a delicious lunch brought the enjoyable evening to a close.

## Bancroft W.I. Collects \$40 For Cancer Society

Mrs. G. Jackson was hostess to nine members and five visitors at the May meeting of the Bancroft W.I. which opened with the song "Mother," and the Creed. In answer to roll call each member turned in a handkerchief to be used as a gift at the "Grandmothers' meeting" in June.

Proceeds of the Parcel Post Sale and Tea amounted to \$30.08.

Final plans were made for the Stanley Party to be held at Bancroft school on May 19, with Mrs. E. Richardson as demonstrator.

In a letter received by Mrs. Hauser, who canvassed Bancroft district, the Cancer Society acknowledged receipt of \$40.

Lunch and program for the Grandmothers' meeting in June were planned.

Mrs. F. Hoskin read a card of thanks from Mrs. B. Fuller, who was a former resident of the district and to whom a card had been sent during her recent illness.

The meeting adjourned with God Save the King and Mrs. Jackson served lunch.

## Large Fish Entered In Didsbury Fish Derby

While the season has been later than usual, with rains keeping the streams muddy, many ardent fishermen have already been out and have been catching some large fish. The Dog Pound has been the favorite spot this past week and D. Casey caught some large trout in that stream in the vicinity of the oil well. However the largest Loch to be weighed in for the Didsbury Fish and Game Associations Derby was caught by T. Jordan and weighed 3 pounds 3. Herrington weighed in a pike at 3 1/2 pounds.

Now that some good fish have been weighed in for the annual fish derby, local fishermen have a mark to shoot at—or fish for. Be sure to get there in the big derby. You may be the winner of one of the prizes at the end of the season.

**MILITARY SPIRIT** — Defense Minister Claxton is shown above as he smashed a bottle of champagne against the side of a new mobile anti-tank gun, christening the gun and officially transferring \$500,000 worth of military equipment to Belgium. Viscount du Parc (right), Belgian ambassador to Canada, received the equipment on behalf of his country at a ceremony at Longue Pointe Ordinance Depot in Montreal.

## Grand Opening Golf Tournament May 24

The draw committee of the Didsbury Golf Club has arranged a two-ball foursome tournament for May 24th, to mark the opening of the Didsbury golf course. Play-off time is 9 a.m. to 1 p.m. and 18 holes will be played with handicap to count.

Handicaps are requested and should be phoned or mailed to Geo. Thiring or Dr. McNichol by May 20.

Those wishing to play in this tournament are requested to notify the committee before Wednesday, May 23rd. Prizes will be given for the best lady's and man's score.

Entry fee is 50c each and refreshments will be served by Sunrise Coffee Shop on the grounds between 11 a.m. and 5 p.m.

The Didsbury Golf Club would like to see a large turn-out for its first tournament of the year. The course is in good shape and anyone with a score between 32 and 50 for nine holes can compete in this handicap tournament.

## Mrs. Walker Entertains Westcott Institute

The Westcott Women's Institute meeting was held at the home of Mrs. E. Walker on Wednesday, May 9, with 24 members and two visitors present. Roll call was an exchange of seeds and flower slips.

Secret Sisters gifts were received by three members. A letter from England was read, thanking Westcott W.I. for the tea and cake.

The Melvin W.I. has sent an invitation to attend its meeting at the Melvin hall on June 7th.

Rossifs from each member and one Red Cross quilt were turned in. Mrs. Goetjen thanked the secretary for a "get well" card.

Delegates to the A.W.I. Conference in Edmonton are Mrs. C. Shields and Mrs. Ed Klinek.

The topic was given by the Health and Education Convener, Mrs. E. Walker. She spoke about Lukemia, cancer of the blood, and the role which cortisone is playing in its cure.

Mrs. Cliff Eckstrand showed the members how to make a sweet pea from a crop of paper.

The next meeting will be held at the home of Mrs. McFarlane at 2:00 p.m. on June 12.

## GRANDMOTHERS HONORED WITH COSSAGES AT TEA

The Evening Group of Knox United Church held a very successful Mother's Day tea on May 12. All Grandmothers were given a corsage as they came in and a card to fill out for the special prizes, which were awarded as follows:

Oldest grandmother, Mrs. E. Jenkins; youngest grandmother, Mrs. W. Colling; grandmother with the most grandchildren, Mrs. Georgina Miller; grandmother with the most great grandchildren, Mrs. J. Hodgson.

## Damage To Property Being Investigated

Believed to be caused by several boys of school age in Didsbury, several windows were recently broken at the memorial arena. Entrance was gained to the building and powder-type fire extinguishers were emptied and rendered useless for fire protection. Two large advertising signs within the building were damaged, and some of the composition siding was torn off the east end of the structure.

Previous to the above damage at the arena, several windows at the disposal plant were broken and holes were shot in the roof with 22 rifle bullets.

Then on Saturday night it was reported that one of the new signs at the corner of the Bible College property was damaged.

Complaints have been made to Const. Dobbin of Didsbury and he is investigating the cases. At the same time Const. Dobbin is issuing a warning, not only to all boys but to the parents as well, that damage of the above nature will not be tolerated, and if such cases occur again, the culprits are caught, charges will be laid and prosecution will follow.

In the meantime a word to the boys, who are responsible for the damage would not be amiss. After all, the arena was built for the young people of town and district, and it is to be operated for their pleasure the management must have the full co-operation of the boys and girls at all times.

No doubt the damage done to property was not fully realized by the boys responsible, but if they would remember that they or their parents must pay for this damage, either directly or indirectly in taxes, probably they would be more careful in what they consider "fun" in this day and age.

## Power Officials Discuss Rate Increase With Town Council

### OIL WELLS STILL DRILLING

The Canadian Superior Robertson oil well west of Didsbury was reported to be drilling at a depth of 8,885 when the weekly bulletin of the Western Canada Petroleum Association was issued at the weekend. Olds Bailey No. 1 well, east of Didsbury was drilling at 7,722, according to the report.

Last week three carloads of 7" production pipe was unloaded at Didsbury and trucked to the Canadian Superior Robertson well.

## May Meeting of Melvin Women's Institute

The May meeting of the Melvin W.I. was held last Wednesday afternoon at the home of Miss Ruth Johnston. Some excellent gardening hints were given for roll call.

Mrs. H. Fischer read the winning W.I. essay in the recent A.C.W.W. story contest which described an average day in the life of the writer. This was of special interest to all the members, and was won by a Norwegian woman.

Mrs. Vance Shields was appointed delegate to the W.I. Convention in Edmonton. Final arrangements were made for the June meeting at the hall where the local W.I. will entertain four neighboring institutes. The district home economist from Red Deer will have charge for the afternoon.

The institute's motto "For Home and Country" was discussed with many suggestions given on what the Institute, as a body, can do for "home" and "country."

The table was filled with lunch boxes suitable for a 13 year old child and the judges awarded first prize to Mrs. H. Fischer and second prize to Mrs. Rose Youngs. These were all eaten for lunch and really proved tasty and nourishing.

Mrs. Chandler, as her bit of fun, conducted a clever "arty" guessing game.

A delicious lunch was served by the hostess at the close of the afternoon.

## Wheat Board Markets Low Grade Grain

The Canadian Wheat Board appears to be doing a very good job in marketing low grade wheat from the 1950 crop, even though the selling process may be extended for a considerable time after the end of the crop year.

About 160 million bushels of wheat from the 1950 Canadian crop, graded 5, 6 and feed. Had the open market been in operation the prices of such grades might well have dropped to very low levels, considering the quantity available and the comparatively limited market therefor.

The Wheat Board has been marketing these grades to advantage and maintaining steady prices. The latest Wheat Board selling quotations for such grades, at stations carrying a 20c per hundredweight freight rate to Vancouver, are as follows: 5 wheat \$1.72 1/2, 6 wheat \$1.68 1/2 and feed wheat \$1.61 1/2.

At the regular meeting of the Council of the Town of Didsbury on Monday evening, May 7, Mr. Smith and Mr. Byles of Calgary Power Ltd. were present and placed a proposal before Council whereby the power company seeks a change in the existing contract to increase the domestic rate over the minimum from one cent per kilowatt to 1 1/2 cents per kilowatt, with all energy over 400 kilowatts per month to remain at the one cent rate. The minimum charge would remain at \$2.30 per month.

Council did not take any action on the proposal.

An amendment was made to the water rates by-law to provide for the following rates: 2500 gallons or less \$3.00; next 3000 gallons, \$3.50; all water used over 6000 gallons, 5c per 100 gallons.

Four building permits were approved: one to F. Bakke to move a house next to the C. Allen residence; one to Builders' Hardware for store extension; one to G. Feeg to move a house south-west of his present residence; and one to Mr. Shilley for positive adaptation.

Application was made to the Minister of Health to have the Rosebud Health Unit operate under the new Health Unit Act.

Permission was granted to the Institute for the Blind to canvas the town for funds in the fall.

Sale of two lots next to the D. Sinclair residence, to H. Burgess, was approved.

## MELVIN NEWS

Congratulations to Mr. and Mrs. Jack Richardson (Jeannine Dupont) on the birth of a daughter, Louise.

Saturday visitors at the home of Mrs. L. Fischer were Mrs. Laura Krueger, Jean and Deonne, Mrs. Laura Johnson, Mrs. H. Fischer, Grandma Krueger, and Miss Pat Leavens.

## JUNIOR BALL CLUB NAMES OFFICERS AT RECENT MEETING

At the meeting held in the arena last Wednesday evening to operate the Didsbury junior ball team in the new league, the following officers were elected: President, Geo. Wilkins; Vice-President, S. Devine; Sec.-Treas., K. A. Waugh; Entertainment, J. Freeman; T. Morris and H. Gillrie, Team Coach, F. Evans, Team Manager, A. Esler.

Players are asked to remember that all ball practices will be called by the team coach.

## BANCROFT BUTTERCUPS

The meeting of the Bancroft Buttercups held at the Stearns Girls' home, opened by singing "Mocking Bird Hill" and saying the Creed. Roll call was answered by bringing a penny for each year of age, and the objective was a pressed flower.

Plans were made for the Mother and Daughter Banquet which is to be held at the Bancroft school on May 18.

The raffle was won by Kay Thomas.

## Rugby W.I. Members To Visit Melvin Group

Owing to the condition of the roads the Rugby W.I. meeting for May was not held until Tuesday, May 8, at the home of Mrs. A. Hogg, with an attendance of 16 members.

An invitation was extended by the Melvin W.I. to Rugby Institute members to visit on June 7, and this was accepted. To take advantage of the invitation it was necessary to change the regular meeting date of Rugby W.I. to June 12, and the meeting will be held at the home of Mrs. A. Blain.

It was reported that during the recent "cancer" drive Rugby W.I. members collected over \$100.

A tea and food sale is to be held in town on June 9 at the Massey Haggis show.

Two delegates will attend the W.I. Convention in Edmonton, but several other members are planning to make the trip, so Rugby will be well represented.

Mrs. L. Krebs gave an instructive talk on gardening, following it up with the roll call "tips on growing flowers."

## WEST NOTES

The Elton Willing Workers met at the home of Mrs. Campbell on Wednesday afternoon of last week. One quilt was tied and one quilted for one of the members. Final arrangements were made to hold a tea at the home of Mrs. J. B. Hipkin on Wednesday, June 13. This will be in place of the regular meeting and the proceeds will be to help provide treats for the school picnic.

Mr. and Mrs. R. Befus were Calgary visitors last Tuesday, and Miss Mildred Befus returned with them to spend the week.

Mrs. D. Hoesgood and Mrs. J. Hoesgood called on Mrs. B. Smith on Sunday afternoon.

Mrs. O. Krebs and Mrs. H. Krebs were hostesses to a very successful Stanley tea on Friday under the direction of Mrs. H. Richardson with a large crowd of ladies present. Mrs. Don Stewart was the lucky draw. There will be more of these later.

Mr. and Mrs. Arnold Hogg were Calgary visitors on Monday.

Mr. and Mrs. L. Korschuh visited the former's home over the weekend.

Mrs. Faust of Didsbury was a weekend visitor at the home of her daughter, Mrs. A. Cook.

Mr. and Mrs. G. Anderson and Inez spent the weekend with Mr. and Mrs. L. Krebs.

Mrs. I. Casey spent Mother's Day at the home of her parents, Mr. and Mrs. A. McInnes.

The leaves are coming out very fast and the countryside looks fresh and beautiful after the rain, but now we hope it holds off till the seed is all in.

Some doctors now dispute the old belief that sugar causes tooth decay. Cone-chewing natives in the sugar plantations have fine teeth.

CHRISTIAN SCIENCE

The proposition that man's immortal spirit has always existed although appearing in a new light, will be expounded Sunday in Christian Science churches. The Lesson-Sermon which is entitled "Mortals and Immortals," includes the following: "Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new." (2 Corinthians 5: 17). "This mortal is put off, and the new man or real man is put on, in proportion as mortals realize the Science of man and seek the true model." (Science and Health with Key to the Scriptures, by Mary Baker Eddy, p. 409).

OIL MAKES A COUNTRY STRONG

## WHEN DID THEY OPEN UP THE WEST ?

The "opening up of the west" didn't end when the railroads and the settlers and the wheat had come. Nor is it ended today. It is a continuing story of our country's growth and each generation adds its chapter.

Today it is prairie oil that holds out new opportunity, bringing with it new benefits and new security.

In four years discoveries in the west have increased Canada's proven oil reserves more than fifteen fold and the production of crude is six times what it was. These advances, and the half-billion dollars the oil industry has spent on them, have not benefited the west alone. All of Canada is stronger and more prosperous.

Our people and our factories have been made busier by the needs of the growing oil industry. There are new jobs and new businesses. Many millions of dollars once spent for foreign oil now stay at home—or are available for other purposes. And of special importance, our supply of oil is being made more certain, less dependent on sources beyond our borders.

Opening up of the west goes on, bringing closer Canada's self-sufficiency in oil, giving new strength to the nation.

IMPERIAL OIL LIMITED

## Agricultural SERVICE BOARD NOTES

W.K. Snyder,  
Field Supervisor

### FARM SAFETY:

Farm safety this year so that you will be here to farm another year. With the rush of spring work, we too commonly see ordinary safety precautions neglected entirely. To save a few minutes, or possibly only a few seconds, careless practices are adopted. These include operating a tractor with an unshielded power take-off drive, using wheel brakes to assist in steering, filling the gas tank while the motor is running, stepping from a moving tractor to adjust a trailing implement.

These are but four of the many trailing habits that can all be too easily developed in trying to save time. There are many more such "short-cuts" employed on our farms. Among them are cranking a tractor before checking to see that it is out of gear, operating a foot clutch by hand from the ground to attach a drawing implement, and wearing loose or ragged clothing too near a rotating shaft. One of the commonest and most disastrous practices is that of allowing the children to operate, or even ride on a tractor. This machine is so constructed that the distances to reach the controls are correct for an adult. The youngster is at a disadvantage because of his smaller size.

This is not a complete list of careless or thoughtless methods so often used. Practice "Safety" and make sure you will not be "the victim of an accident."

### THEY DEPEND ON CANADIANS

Here's a real tribute to Canadian educationists, reports the Financial Post: Dr. R.M. Hutchins, chancellor of the University of Chicago and associate director of the Ford Foundation, speaking at the 6th annual conference of the Association of Canadian Advertisers, says there was a day when in order to be a dean at Chicago University you almost had to be a Canadian. He added, "There was a time in my period as president, some say it was the peak of my administration, when 5 of the 12 deans were Canadians."

### RURAL ELECTRIFICATION CO-OPS

There are 125 rural electrification co-operatives. These associations have been responsible for the construction of rural electrification projects involving a total expenditure of \$5,680,023.

These associations borrowed \$2,106,733 of this amount under a plan whereby the loans were guaranteed by the Province under the Co-operative Marketing Associations Guarantee Act.

To date, approximately 11,000 farms have been serviced with electric power and plans for further expansion have been made up to 1953.

## Don't Be Careless With Pest Control Poisons

The word "Poison" on weed killer and insecticide containers means just what it says. With the increase in use of these aids to the farmer there seems to be a tendency on the part of some users to relax vigilance as far as keeping poisons out of the way of domestic animals. Two cases have recently been brought to the attention of the Director of Veterinary Services, Dr. E.

E. Ballantyne, in which cattle deaths have occurred as a result of access to weed killer, sodium chlorate.

A few weeks ago, a report was received from the Lindberg area, in this case six head of cattle died after they had eaten weed killer from an open drum. The Veterinary Services Branch asked that the stomach and liver be sent in for examination and upon analysis, chlorate was found in both organs in heavy concentration.

A similar case has been reported from the Wainwright district, in which several head of cattle were involved. Within a week of the death of the first two, four other expired, two more were in serious condition, and several showed effects of having eaten the poison. These cattle also had access to a drum of sodium chlorate. The financial loss in these two cases amounted to \$3,000. Use all poisons with care and keep them out of the reach of both animals and children, cautions Dr. Ballantyne. Poisons should be treated as poisons.

In a few cases of livestock poisoning, emergency treatment with an oily laxative, such as raw linseed oil or mineral oil, is always good to slow down absorption of the chemical; but a veterinarian should be called immediately for more specific treatment.

## GENERAL ELECTRIC WASHER

In addition to the famous activator, each G. E. Washer has these quality features:

- Gleaming all-white finish
- Splash-proof tub.
- Sturdy wing with fingertip safety release.
- Self-tilting drain flume.
- Permadrive mechanism—no belts, no oiling.
- One year written guarantee.

PRICE \$181.00

## Notes From the D.A.

(Hugh McPhail)

Some time ago I wrote an article on Broadleaf Trefoil. I had several articles brought to me in regard to this legume. One was in the U.S.A. publication, "The Country Gentleman." Another was in an English paper.

Several people wished to try some on their farms. Seed was difficult to secure, none was available in Alberta, nor could Ottawa Experimental Farm supply any. I finally located some in New York State. Then Mr. Stanton brought in the Western Producer advertising some in Ontario. I ordered 10 pounds for Mr. Stanton and 5 pounds for Mr. L.C. Ratcliff who lives south west of Sundre. The seed has arrived. Mr. Harvey Husegood also ordered some seed.

I am sure it will be interesting to observe how these plots of Trefoil do under our conditions.

Mr. J. Evans, from whom we got the seed has the following story to tell.

The New York State Department of Agriculture, realizing the need for a clover which could do well on land not suited to alfalfa, developed and selected a strain of Bird-foot Trefoil which is adaptable to the North American land and climate. After consulting our Department of Agriculture representative, Mr. W.P. McDonald, I procured eight pounds of this seed in 1941, from New York State. Which I sowed on three acres with some bluegrass. This field is now an excellent permanent pasture field with Trefoil predominating. I took cattle off this field long enough to let it go to seed in 1947, and got a good crop of seed. It cut for hay when in full bloom, it will produce a heavy crop of good hay.

Trefoil should be sown along with Timothy, Blue Grass, Red Top or Orchard Grass as Trefoil is fine stemmed but will grow 2½ feet long, and from 200 to 300 stems from one crown and takes one year longer to mature than other clovers, so do not plow up your clover, give it another. When cut for seed, any seed which is left on the field will grow.

Trefoil does not have a tap root, but has several rather heavy roots

from one crown which go plow deep. It has the ability to grow well on land altogether to wet for alfalfa, so never gets thin or patchy in furrows or low spots. It never winter kills, even when horses run in it all winter and the Orchard grass is nearly all killed.

It also has the converse ability to grow on high ground and withstand drought as it will send down numerous fine roots to a depth of 3 feet or more when necessary to obtain moisture. It will not blot cattle. It should not be sown unless you want a permanent hay or pasture field. When it is once established it will stay with you as long as you wish. It is not hard to plow, but that is the only way you will see a dead crown.

If you have a field or farm which does not pay, seed it to Birdseed Trefoil, along with any other grass you can grow best. For a permanent hay pasture or a cash crop for seed, it is hard to equal. It is necessary to use inoculant in most cases. Four pounds to the acre is sufficient for hay.

## WEDDINGS

ADMUSSEN-HENDRIX

Pink and white streamers and bouquets of pink and white snapdragons created a lovely setting on May 3rd at 3:00 o'clock in the Penitential Holiness Church at Bergen when Miss Daphne Isabel Hendrix exchanged marriage vows with Mr. Walter Douglas Admussen.

Rev. C. B. Moore of Calgary performed the ceremony for the daughter of the late Mr. Peter J. Hendrix and Mrs. Hendrix of Calgary. The bride, given in marriage by her brother Steve, was lovely in a long white satin gown fashioned with net yoke, dainty ruckling and a net over skirt. Her chapel veil, edged with wide Gulpure lace, fell from a halo of white. Her only ornament was a gold locket, and she carried a bouquet of red roses.

Miss Gwen Hosler was the bride's only attendant, and she wore a pastel blue satin gown with net over skirt and yoke which was fashioned similarly to the bride's dress. Her

shoulder-length veil of blue net fell from a halo of blue. A sheath of pink carnations composed her bouquet. The bride's mother wore a gown of figured nylon with a white background and white accessories. A corsage of red roses completed her ensemble.

The groom's mother also chose a gown of printed nylon on a white background and black accessories. Her corsage was of red roses. The bridegroom was attended by Mr. Carl Loughheed, and ushering the guests to their places were Mr. Tony Raignier and Mr. Chris Admussen.

Mrs. Solveig Clarke, soloist, sang "The Wedding Prayer," and the wedding music was played by Mrs. Nate Elterhorpe.

A reception followed at the home of Mr. and Mrs. Fred Admussen with 50 guests sitting down to a delicious and bounteous luncheon. The Misses Delores Ellis, Betty Radcliffe, Stella Doyle and Mickey Jolson helped with the serving. The toast to the bride and groom was proposed by the Rev. C.B. Moore, and the groom aptly responded.

The bride's table was centered with a beautiful three-tiered wedding cake and pink and white snapdragons completed the floral centerpiece.

The bride and groom were the re-

## WOOL TOPPLING?

Officials in the textile business are watching the current sinking spell in world wool prices with more than unusual interest. This could be the beginning of a long-awaited correction in skyrocketing wool prices; a move that more and more textile men think essential before clothing markets return to normalcy.

Prices have slipped over 25% in the last two months. What's more, little or no business is being done even at today's reduced levels. Just how much prices would have to tumble before domestic mills would change entering the market again in a big way is anybody's guess.

By the end of the 18th century gun-making was the second largest industry in Birmingham, England.

clients of many useful gifts which were displayed at the home of Mr. and Mrs. Fred Admussen.

Mr. and Mrs. Walter Admussen are moving to Banff, the Okanagan Valley and other points in B.C. Upon their return they will reside at Water Valley.

For travelling the bride donned a grey suit with navy blue accessories and a corsage of red roses.

Kill  
Weeds  
With

## HERBATE 2,4-D

Prairie farmers report increased yields of 4 to 6 bushels per acre by killing out weeds with HERBATE 2,4-D. Yet as little as 10¢ worth of HERBATE 2,4-D is enough to treat an acre . . . an average cost of only 7¢ to 10¢ per extra bushel.

### HERBATE 2,4-D

makes weed control easy and economical

Because of HERBATE's high 2,4-D Acid content, as little as 5¢ to 10¢ of a pint per acre assures effective, low-cost weed control. HERBATE 2,4-D kills sensitive weeds outright, keeps even tough ones under control. HERBATE 2,4-D helps to conserve moisture, increases yields, reduces dockage.

### HERBATE 2,4-D

A product of Canada's largest manufacturer of chemicals

HERBATE 2,4-D is a product of the Agricultural Chemicals Division of CANADIAN INDUSTRIAL LIMITED, Canada's largest manufacturer of chemicals and long-established leader in modern pest control products.

Buy a brand you can depend on. Ask for HERBATE 2,4-D.

## -: DISTRICT NEWS:-

### BURNSIDE NOTES

The neighbors and friends in the Burnside district extend heartfelt sympathy to Mrs. Page and family on their recent bereavement.

Russell Persinger is in the district and is helping his brother-in-law, Ivor Weber, with spring work. Charlie Mardon is trucking for Sandy Calhoun, hauling poles for the new power line west of Didsbury.

Cpl. and Mrs. Brian Page of Edmonton spent the week end in the district and attended the funeral of Brian's father on Saturday.

Mr. and Mrs. Crowe of Calgary also attended the funeral of Mr. Page. The latter is a niece of deceased.

Wheat seeding came to a halt in the Burnside district over the week-end due to additional heavy rain. Considerable wheat has now been sown and moisture conditions are better than for several years.

Mr. and Mrs. Phil McNeil and family spent Mother's Day, Sunday, May 13, in Calgary with their daughter, Mrs. Schneidmiller, and family.

Mr. and Mrs. Robin have "rented" the C. Mardon mail box for the summer and have nested well back in the box so as to make room for the thrice-a-week rural mail delivery. To date there are four eggs in the Robin home and Mrs. Mardon says they will not be disturbed. Vern Gillette will have to be careful for a few weeks when putting the rural mail in the Mardon mail box!

### M.V.B.C. NEWS

Yes, we are still on the record, even though our College students have gone to their varied types of work during the summer months. Our President, Mr. Hoskins, and our Maintenance Superintendent, Mr. Sawatzky, are very busy beautifying the grounds, seeding grass, levelling uneven areas, and generally trying to regain a degree of fitness for grounds surrounding a College. Thanks to the many friends who supplied necessary material for such work.

Mrs. Ruth Hoskins and Miss Eby, Dean of Women, are also doing their share of work. Cooking for the High School students who are still with us requires thought and effort, and cleaning the school thoroughly is essential to a happy beginning in the fall when students will return. We are a family of some twenty persons even yet.

Mr. John Wilson, piano teacher, expects to take further work in his field of music during the summer. He will go to Chicago.

Mr. Lyle Richardson, voice teacher, accompanied by Myron Tweed and Orland Boettger, both students of M.V.B.C., are at present touring the State of Washington in the interests of the College. They are majoring on Youth Rally programs for the next two weeks. Mr. Richardson expects to go to Europe again this year under the Youth for Christ International program.

Mrs. Pearl Lemont has returned to her home in Hoadley. Mrs. Lydia Suder is on her way to the Inter-Conference Council of the United Missionary Church, to be held in Indiana. She will be gone for two weeks.

Gardening is the order of the day. We trust that our many friends of this community will put out a few extra rows of different kinds of vegetables for us again. The College has some garden plots also, but it needs the additional help of those in the community as well.

### MOUNTAIN VIEW

Sunday dinner guests with Mr. and Mrs. Abe Derksen and family were Mr. and Mrs. Andrew Derksen and Mr. and Mrs. Ben Neufeld of Brisco, B.C., and Marie Derksen, Mr. and Mrs. John Fenner and Curtis. Mr. and Mrs. Andrew Derksen and Mr. and Mrs. Ben Neufeld returned to Brisco after spending the week-end here.

Mr. and Mrs. George Smith and Mr. and Mrs. Chuck Ramsay and son were visitors Tuesday with Mr. and Mrs. Eric Atkinson, and Mr. and Mrs. Smith visited till the weekend.

Mrs. Thomas Finley, Mrs. Arthur Gebers and Mrs. Otto Bittner were visitors at the Lone Pine W.I. meeting held at the home of Mrs. Alfie Thompson.

Mother's Day dinner guests at the home of Mr. and Mrs. James Worrell on Sunday were Mr. and Mrs. George Kirkpatrick, and children, Mrs. M. Wood, and Mr. and Mrs. Mac Wood and Joyce.

Sympathy is extended to the Page family in their recent bereavement.

Mr. and Mrs. Louis Kohut and Annie spent Mother's Day with Mr. and Mrs. Charles Kohut and family. Mr. and Mrs. Sid Morasch and Albert Neetany of Calgary were weekend visitors with Mr. and Mrs. Adam Morasch.

Mr. and Mrs. Stewart Tighe visited at the Motach home Sunday evening.

Sunday visitors at the Wm. Bruce home were Mr. and Mrs. Scotty St. Clair, Wayne and Janet Ann, and Mr. and Mrs. John Bruce, Virginia and Billy.

Mr. and Mrs. David Pratt and family were dinner guests Sunday with Mr. and Mrs. Roy Gale and family.

Mr. and Mrs. Charles Pratt, Mr. and Mrs. Emil Miller and Mr. and Mrs. David Pratt all surprised Mr. and Mrs. Walter Pratt Sunday evening, the occasion being Mrs. Walter Pratt's birthday.

Mrs. Charles Pratt and Mrs. Neil McKay were Calgary visitors on Saturday.

Ladies, keep in mind the W. I. meeting at the home of Mrs. Stiles this Thursday, May 17.

Mr. and Mrs. Raymond Hayne and children visited Sunday evening with Mr. and Mrs. Grenville McCaig and family. Mr. and Mrs. Thomas McCaig were weekend visitors at the McCaig home.

Mr. and Mrs. Barney Elliott and Joyce visited over the weekend in Stately and Nanton.

...with  
**JOHN DEERE  
Equipment**

Yes, farming today, the John Deere way, is easier than grandfathers ever thought possible. And, it's faster and better, too.  
The consistent leadership of John Deere plows typifies the trail-blazing role John Deere equipment has played in mechanizing farming's muscle work. It was John Deere's steel plow that opened the sticky prairie soil to profitable farming in 1837. The introduction of the John Deere "Gilpin Sulky" in 1875

lifted the pioneer farmer's weary legs out of the furrow... forever abolished the necessity of plodding behind a "walker." Today, plowing with John Deere plows is plowing at its best... and easier, thanks to Truss-Frame design and hydraulic Power-Trol.  
The full line of modern John Deere equipment is designed to make all farming operations easier and more profitable... farms more productive. Come in and discuss your needs with us.

## LITTLE ITEMS OF LOCAL INTEREST

—K. Roy McLean, Optometrist of Calgary, will make his next visit to Didsbury, at the Rosebud Hotel, on Monday, May 21, morning only. Consult in Calgary office, 1015 Greyhound Bldg, daily except Monday.

Mr. and Mrs. Bill Novacek left Friday for their new home at Craig-myle.

Mr. and Mrs. Carlton Leeson of Carbon spent Sunday with Mrs. F. W. Leeson.

Mr. and Mrs. Hector Lamont and Jim Lamont of Calgary spent last Sunday with Mr. and Mrs. Ed Berscht at Elkton.

—Did you know Soley's carry the largest variety of fresh fruit and vegetables? On an average week-end you have over 35 varieties to choose from. Drop in at Soley's and see for yourself the wonderful selection this weekend.

Two more neon signs were installed on the front of local business places last week end, one on the Sunrise Coffee Shop, and the other on Halliday's store. Another neon sign was installed on Neufeld's Highway Garage.

Prevost Meteors triumphed over Payne-Freeman Dodgers by a score of 14-7 in the softball game played last Thursday evening.

Mr. and Mrs. Edward Morasch of Calgary spent Sunday with the latter's parents, Mr. and Mrs. Adam Korschuh.

—Week night shows at the Didsbury Opera Theatre will continue to be shown at 8:00 p.m. instead of at 8:30 p.m., as previously announced.

Mr. and Mrs. Gene Gasser and family of Camrose, formerly of Didsbury, have moved to Dawson Creek, B.C. Mr. Gasser has accepted a position with the Midland & Pacific Grain Corp.

Raymond Shantz, local auctioneer, is going to Nanton on May 19 to the first and only automobile auction in Alberta. He is taking down a three-ton truck for Payne-Freeman Co. The auctioneers are all Reppert School graduates.

Born at the Didsbury hospital to Mr. and Mrs. Gordon Wilson of Cremona on Tuesday, May 15, a son.

Four car loads of Eastern Star members paid a fraternal visit to North Star Chapter in Calgary Monday evening.

Mrs. Garner of Bowden was a Didsbury visitor Monday.

Mrs. W. E. Blore visited her father, who is a patient in the Holy Cross Hospital in Calgary, on Monday.

Bobby Hall has joined the King's Own Calgary Regiment (active) and will be stationed in Calgary for the present.

—Concentrated Frozen Orange Juice sales are now greater than the sales of fresh oranges in the United States, and are still increasing. Try some this week—on sale at Soley's, 33c a tin. Makes about as much orange juice as a dozen average oranges.

Bishop Ragg of the Pro-Cathedral, Calgary, will conduct a Confirmation Service at St. Cyprian's Church, Didsbury, on Monday, May 21, at 7:30 p.m. He will be assisted by Rev. A. F. Sheward of Olds.

## THURSDAY, MAY 24, IS A DOMINION HOLIDAY

Thursday, May 24th, is Victoria Day and a dominion holiday, and all places of business in town will be closed. Since Wednesday afternoon is also a holiday housewives would be well advised to stock the larder accordingly.

Rain set in early Sunday morning and continued for almost 24 hours, bringing an additional inch of moisture to the land. Seeding is again progressing, and with the fine weather prevailing it will not be long before most of the crop has been sown.

Harvey Shantz returned Sunday from Dawson Creek where he trucked a load of furniture for Gene Gasser of Camrose.

Rev. A. Frey left on Friday to attend the annual board meeting of the United Missionary Society, to be held at South Bend, Indiana.

On the afternoon of May 8, a number of the Springdale Group met at the home of Mrs. Frank Jackson for a surprise party. She was presented with an auto rug and everyone wished her a pleasant trip.

—WANTED: Wire Hangers in good condition, 1c each, at Berscht's.

Mr. and Mrs. James Donahay of Calgary visited on Sunday with Mr. and Mrs. Hughie Roberts.

## BANNER YEAR EXPECTED FOR CANADIAN GOLF CHAMPIONSHIP

With the prize money advanced to an all-time high of \$15,000, and with Canadian golfing prestige advancing steadily, it looks like a banner year for the Canadian Open Golf Championship in Toronto, July fourth to seventh.

The Royal Canadian Golf Association has signed a new seven-year agreement whereby the House of Seagram will let \$15,000 ride with the Seagram Gold Cup from now on, instead of \$10,000 of former years.

The increase in prize money alone is expected to make the Open a major drawing card for top-ranking U.S. tournament players. A number of other factors are involved as well, all of them tending to increase the confidence of R.C.G.A. officials that this year's tournament at Toronto Mississauga will be an outstanding one.

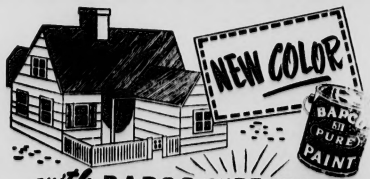

Insofar as all the top Canadian pros are concerned, the tournament timing is perfect, sandwiched neatly in between the Ontario Open and the Canadian Professional Golfers Association Open. Pros from outside the Toronto area, therefore, won't have to decide whether the long trip is worthwhile for one tournament only—they can take in three on the one trip.
